Testimonials of Participants of Online DTPs

For me, it was a great experience to attend DTP organized by ICMA Pakistan. The design of the course was a beautiful blend of theoretical aspects and real life situations. The trainers demonstrated very well their capability to gel in with the participants in a way that encouraged a constructive and lively learning environment. Thanks to ICMAP for all their efforts.

The ICMA Pakistan Directors' Training Programme has fully enlightened me. While it has provided me with greater knowledge and understanding of the intricacies of the C level, in fact it has also polished my learning skills. Kudos to ICMAP on providing a great corporate learning platform.

Directors' Training Programme arranged by ICMAP, has been a very enriching experience. All the Speakers provided in depth information in sessions, shared learnings & experiences. It helped me to catch up on various rules & regulations relating to listed companies, after being away from Pakistan for many years.
