Testimonials of Participants of Online DTPs

I recently completed the Directors Training Program, and it was an exceptional experience. The curriculum was comprehensive, covering key topics like corporate governance and strategic decision-making. The instructors were knowledgeable and engaging, making the learning enjoyable. Practical exercises and case studies helped me apply the concepts and develop valuable leadership skills. The program also provided great networking opportunities. Overall, it has equipped me with the tools and confidence to excel as a director. I highly recommend it to anyone looking to enhance their boardroom expertise.

For me, it was a great experience to attend DTP organized by ICMA Pakistan. The design of the course was a beautiful blend of theoretical aspects and real life situations. The trainers demonstrated very well their capability to gel in with the participants in a way that encouraged a constructive and lively learning environment. Thanks to ICMAP for all their efforts.

The Directors Training Program was a great learning opportunity. The teachers were knowledgeable and the material was current. In company governance, risk management, and strategy planning, I gained useful knowledge. The chances to network with other producers were priceless. Anyone seeking to improve their directorial abilities should definitely consider this training, in my opinion.

Directors' Training Programme arranged by ICMAP, has been a very enriching experience. All the Speakers provided in depth information in sessions, shared learnings & experiences. It helped me to catch up on various rules & regulations relating to listed companies, after being away from Pakistan for many years.
