Dear Member,

The National Budget is an important economic policy tool of the government, which sets out the direction of economic policy. It translates government's policies, political commitments and goals into decisions on how to raise revenues and utilize these funds in priority areas. ICMA, regularly organizes a National Budget Conference (NBC) for professional community and society at large.

This year's National Budget Conference will be held on Saturday, 10th June, 2023 at 5 pm at Serena Hotel, Islamabad.
