

# Tips for a Successful Job Interview

The Members' Professional Development and Corporate Training (MPD&CT) (formerly Corporate Relations & Communication Department) is an important wing of the Institute that provide competent and highly skilled human resource to the government, industry, corporate sector organisation, trade and businesses. To cope up with the dynamics of today's competitive environment, it is also important to have good communication and soft skills besides technical expertise, keeping this in view the MPD department of South Region regularly invites dignitaries from corporate sector for personal & professional development of students.
