# Ramadan Mubarak Iftar Dinner

"Iftar is an occasion to break the fast and enjoy the company of colleagues and staff members. This year, we will gather to celebrate the end of the Ramadan fasting month with a bounteous feast - an occasion of joy and contentment. As we chat and savor our meals, we may reflect on the blessings we have during this time and pledge to uphold the Islamic principles of sincerity, moderation, and generosity. Let our love and prayers guide us as we share in each other's company and make this day a true occasion of inner and outer peace".
