Webinar on Role of CMAs as Tax Consultants in Pakistan and abroad

Practicing Members build the image of the institute by providing services to their clients in public and private sectors, recruit human capital at their firms as well as their clients and also provide training opportunities to students. Globally, management consultancy profession is growing rapidly and has become a competitive market where supply has even outgrown the demand. Solution of tax matters, Service quality and innovation have become important criteria in judging consultants.

Technical Support and Practice Development (TSPD) Committee, in collaboration with the National CPD Committee, is organizing a Webinar on "Role of CMAs as Tax Consultants in Pakistan and abroad" to enlighten the role of Management Accountants in the emerging avenues in consulting locally and globally.

President ICMA Shehzad Ahmed Malik will grace the occasion.
