IMPORTANT NOTICE FOR STUDENTS

Subject: Extension of deadline for submission of Online Examination Application Form for April 2026 Examinations and facilitation process for students unable to submit Application Forms

This is to inform that the deadline for the submission of the Online Examination Application form for the April 2026 attempt has been extended till 14 April 2026. For the facilitation of the students who, for any reason, were unable to submit the online examination application form by the original deadline (April 12, 2026), an Interim Application Form (via Google Form) is available through the QR Code below.

This interim arrangement ensures that all willing students are able to appear in the April 2026 examinations.

Steps to submit the Interim Application Form (till April 14, 2026):

1. Scan the QR Code and enter your required particulars.
2. Mention your eligible/ desired subject(s).
3. Carefully review your information before submission.

Important Instructions:

- After submission of the interim application, please contact your respective campus to complete the formal online application form on the Institute's website and confirm applicable dues/ fees.
- Fee payment must be completed as per the prescribed procedure and within the given deadline.
- Applications containing incorrect, false, or incomplete information will be rejected.
- Submission of the interim application does not guarantee acceptance. Enrolment is subject to verification of eligibility and applicable policies of the Institute.
- No separate intimation will be issued in case of rejection; students are advised to remain in contact with their respective campuses.

Students are strongly encouraged to complete the process well before April 14, 2026 to avoid any last minute inconvenience.
